

7-25-2017

Hello Fellow Members of Area 20,

So far we have two motions to hear at the Summer Committee Meeting which are:

1. A motion from Kelly L. regarding presenting Floor Motions.
2. A motion from Phil C. regarding NIA Alternate Committee Chairs to attend the ECR Forum this coming November in Springfield.

Since the Summer Assembly held on June 10, 2017 I have attended the following.

General Service Fair hosted by District 10 on 6/17/2017

Ad Hoc Inventory Conference call on 7/23/2017

I hope that we have more workshops in the Fall and Winter.

We have three open positions: Special Needs Chair and Alternate Chair and CPC Alternate Chair. These positions have been open for a while. We can elect someone at the Committee Meeting because they have been announced and open for a while. So, anyone willing to stand for these positions, please be at the Lord of Life Church on August 5th, 2017.

We will listen to bids for the 2018 Big Book Conference. At the Fall Assembly we will listen to bids for the 2019 Spring Conference. Please talk to your Groups and Districts to host these two important events.

Besides the regular committee reports we will also have reports from the Ad Hoc IT Committee and the Ad Hoc Inventory Committee.

I hope to see you at the Lord of Life Church on August 5th, 2017.

In Service,

Marilyn F.
Area Chair
