

## DISTRICT 11 DCM REPORT – JANUARY 2023

Friends,

It's 2023! I hope everyone had a great December and holiday season!

On December 10<sup>th</sup>, District 11 hosted the NIA 20 Winter Assembly. There were so many members of District 11 present! Thank you to everyone that helped throughout the event, and even though there were some technical difficulties at the beginning, I think the event was a success!

The following items were discussed/voted on at the assembly.

- The Area Chair gave a report on the losses incurred by the 2022 Illinois State Conference/East Central Regional Conference and what the Illinois State Conference Policy Committee has proposed to the other areas on how to handle the deficit. (See attached report for more detail)
  - After some discussion regarding the concern that the Area 20 Assembly is not being asked how they would like to handle the situation, a written floor motion was provided to the area chair. The chair reviewed it and agreed to hold a sharing session at the Winter Committee Meeting to further discuss and potentially bring a motion to the Spring Assembly.
- 2023 Area Budget – Passed
- 2023 Area Calendar – Passed
  - District 11 will be hosting the 2023 Pre-General Service Conference Workshop
    - April 1, 2023 – Location TBD
- Finance committee recommendation to forward \$10,000 to the GSB – Passed

On December 27<sup>th</sup>, Erik our Alt. Area Delegate asked me to be a panelist on the Service Orientation Workshop on January 21, 2023 at the Winter Committee Meeting. This workshop is held annually at Winter Committee Meeting for incoming GSR's and DCM's to learn about their role in Area Service. This workshop is designed to answer questions about the GSR and DCM position and discuss how we do our Area business. If you are a new GSR, I highly encourage you to attend this event. This event will also be virtual, so you can even just attend the workshop itself.
