

*Motion to Increase the PI Committee Budget*

---

Motion:

It is moved that the PI Committee budget be increased by \$500.00

Background:

The PI Committee has very little money left in the budget and needs to order more Literature. I have only been the PI Chair for the past few months. I have visited different Police Stations, Libraries, Fire Stations and was able to drop literature off. I am getting ready to place an order, therefore I'm asking for a \$500.00 budget increase that will take us to the end of the year in order to complete this year successfully. We are very excited about our positions, and we look forward to doing more within the up-coming year.

In Service,

Georgene/PI Chair
