

## DISTRICT 11 DCM REPORT – OCTOBER 2023

Friends,

I hope everyone had a great September.

On September 16<sup>th</sup>, I attended the first half of the NIA 20 Fall Assembly virtually, to participate in the election of the panel 74 Area Officers and Committee Chairs. Since I was only present for the first half of the event, Dan will go over the motions that were discussed in the afternoon. I have included a copy of the Fall Assembly Minutes with my report, if you are interested in some additional information.

I have listed below what positions were filled, by whom, and the ones that remain open. Please note that these individuals will not be rotating into these positions until January 1, 2024. If you are elected to a district position next month for the 2024 rotation, I highly recommend you connect with the corresponding area chair. They will be a great help and are here to serve us.

Please review the District 11 Job Descriptions to see what you would be interested in doing the next rotation, and share the election flyer with others.
