

District 11 DCM Report for 8/1/24

Friends, I hope everyone has had a great couple of months and a happy holiday.

East Central Regional Conference

- Great event, great people, well-attended by NIA20.

I'd like to take a moment to thank everyone, collectively, who helped put on the NIA20 Summer Assembly in June. It went off with little to no hitches and was an overall great experience. I thoroughly enjoyed the manner in which the motions were discussed allowing GSRs and Committee Members to question and discuss the motions before Past Delegates.

Motion to have Delegate submit a letter to the General Service Board

- Heavy discussion on the construction of the motion. I spoke out against the motion based on use of the charter and the trust we give our Delegate. This motion ultimately failed. I did not catch specific numbers.

Motion to amend Correction Workbook (M-45)

- Motion was discussed and ultimately the author withdrew the motion.

I wanted to take a moment to comment on something that's been going on the past few business meetings. Since our Area Answering Service Chair gave his presentation and gave his experience of changing phone services we have been questioning our own Answering Chair about progress on this matter. Our Concepts allow our own Answering Service Committee Chair the right of decision, and the appropriate autonomy and authority to enact their service work, as defined by our Job Descriptions. The body does not instruct any Chair on what they must do, but if anyone wants to see progress in this area they are free to join the committee and be of service. Please refrain from using the question portion of any Service Committee Report in order to make requests.

What I've been up to:

- Accessibilities – Wheelchair Accessible/Wheelchair Accessible Bathrooms
- Communicating with NIA20 CPC Chair and D10 & D12 about CPC/PI Workshop at SOTP-Huntley on 9/28/24 time TBD, Flyer available next month.
- Signing up for Jail
- Communicating with some Committee Chairs about budgets/motions/bills
- Emails, Emails, Emails
