

DCM Report 8/3/2017

The committee meeting is this Saturday and I will be attending. This is the best place to be if you are thinking of standing for a position on a district committee. All the area committee chairs will be on hand to answer questions.

November will be our elections for 2018-2019 service period. I will be leaving my position and hope to see one of you stand for this chair position.

Mary F has relinquished her position as LCM. I don't think I have ever met a more qualified LCM. Her service work for the District schedule and communication with the registrar has been exemplary. With that said we need to work as a team to fill her role and keep the meeting information up to date. We have a large district with about 180 meetings a week that need attention. Don't hesitate to participate in this roll if you believe you have an interest the district needs you.

As many of you know I was not here last month and Kelly the Alternate DCM conducted the meeting and provided an outstanding report. Her efforts are greatly appreciated.

The weekend of 11-13<sup>th</sup> August is the State conference. Please check your email for the flyer sent out by Mary C. the District Secretary.

To everyone serving on a committee please attend the committee meeting this Saturday. Thank you all for your service.
