

DCM Report Mar 2, 2017

I spoke on a panel at the NIB ISCYPAA XXXV Illinois State Conference Of Young People In AA, February 25th.

The ad hoc committee to determine the need for a technology committee had a conference call where we determined next steps in compiling documentation to make recommendations to the Area about a possible tech committee.

I also attended an Elgin workshop where there were two speakers discussing traditions and relationships. The workshop was put on by Women's New Beginning group and speakers were from District 11, one of whom was our Alternate Treasurer Cheryl B.

I hope to see everyone at the spring conference to be held in Schaumburg. More information and registration can be found at <https://niaspringconference.com/>.
