

Typical month of late, cram session to get things caught up, so I didn't have opportunity to show Harry G our Alt Webmaster what needs periodic maintenance. Hopefully we'll be able to get together sooner than later, but for now I provided him the basic login information so he will be able to take a peek.

The major duty this month was to update the online meeting schedule. There were not many changes. Most of the schedule changes this month affect the printed version more than the online details. The PDF file has been updated which is provided by Esther when she does the printed versions – I believe there is an error in the subtitle of the Web version – where it states “With Contact Information.” I informed Esther of this and requested an revision when possible. This does not affect the meeting content, so it's not really critical, though potentially confusing.

As in past I posted a few upcoming events and this meeting's agenda and minutes from last month as well as the treasurers report and a couple other chair reports. If they are sent to me I will post them, although most will end up in the minutes anyway. The reports can be found on the following page <http://aa-nia-dist11.org/district-meeting-minutes-reports/> and as usual a summary of the updates to the website can be viewed on the Webmaster updates page <http://aa-nia-dist11.org/website-updates-121115/> found thru What's New tab.
