

DCM Report 6/5/2025

Good evening District 11. I hope everyone had a good month. I was travelling a lot, and was not as available for service as I wish I could have been.

5/8/25 Legacy of Service Concepts Study

I hosted the Concepts Study. Attendance was myself and two others. We read a chapter and had good conversation. If anyone is interested in learning about our Service Structure please join us next Thursday.

5/10/25 Northern Illinois Area 20(NIA20) Spring Committee Meeting

I attended the meeting virtually, and left after we discussed the motions. Something that has been discussed at length at the last few meetings is the Area's financial health. We have people out there doing the work that we have asked them to do, but it all costs money. It has been noted that NIA20 could use more financial support. We discussed the five motions. I shared our Districts experience with our own answering service motion. Please be sure to make it out to Palatine, or virtually, on the 21st to participate in the discussion, and vote on these motions. Our Delegate will also be giving an hour-long report-back on the happenings and events of this years General Service Conference. I am planning on having him out in August to our meeting, if available.

- The rest of the month I spent primarily answering emails as they arose.
 - I am still working on finding possible locations to house our meeting in the future.
 - I have correspondence with two churches in McHenry and one in Woodstock. I am trying to visit and test the wifi at each location.
 - I am still working with Blu and Aaron V. to hold a GSR School Workshop
 - I have reached out to Aaron to try and finalize a date.
 - October 4th District 11 will be hosting the Norther Illinois Area 20 Fall Committee Meeting at Lord of Life Church in Elburn, IL. I am looking for groups to help serve at the meeting.

Thank you,

Dan P
