

DCM Report for 9/4/2025

Good evening District 11, and welcome Erik to our business meeting once again. We are looking forward to your report.

On August 14th I was not able to attend and host the Legacy of Service Concepts Study. I fell ill in the afternoon that day and what was planned as a rest period in the afternoon turned into me sleeping until the morning.

On August 22nd through the 24th I had planned on attending the East Central Regional Forum and was unable to be present in person due to an unforeseen work matter. I attended virtually where I could and gave some input on my experience as a virtual attendee but did not have the same experience as the last Forum, in person, to say the least.

I have sent emails and or left voicemails with the following locations in regard to changing the location of our monthly business meeting:

- Church of the Holy Apostles (McHenry)
 - No response yet; will follow up with email and call this month.
- First United Methodist Church (McHenry)
 - Email has been forwarded to the appropriate parties who schedule AA use.
- First United Methodist Church (Woodstock)
 - We are able to use the meeting space. Need to follow up with Bev and test the Wi-Fi this month

I have secured members of my homegroup to help with hosting the NIA20 Fall Committee Meeting at Lord of Life in Elburn on October 4th , 2025.

I have gotten in contact with Saralyn, Speaker/Panel chair of SoberFest and gotten some parameters about our panel. I attended ICYPAA this past weekend and have some good ideas from the many panels there.

On September 13th NIA20 will be hosting the Fall Assembly and Elections for the next two-year rotation. I would highly advise each and every GSR to attend and vote for our future trusted servants.

Thank you,

Dan
