2 nights:	\$320*
Mileage: 800 miles round trip at 0.40:	\$320
8 meals at ~ \$12 per meal:	<u>\$96</u>
Total projected cost:	\$860

In August of 2023 a motion was presented to create a Technical committee which would serve the district by not only creating and maintaining the district's website but also facilitating Zoom participation, as well as other duties as needed by the district. One of the outcomes of Covid was the advent of virtual meetings. While the district has not been subjected to outside interference on Zoom, the Fellowship as a whole had. Addressing these security issues is one of the subjects covered in this workshop.

Another outcome of the workshop is how technology fits in with our efforts to provide service to those persons who need additional assistance to participate in recovery.

Our district has equipment to make presentations for workshops and meetings. This workshop is a place to network with members with a wealth of experience in this field, to the end of carrying the message of recovery to suffering alcoholics inside and outside of these rooms.

Thank you for your consideration.

Doug Wilsman, Web Administrator
