

DCM Report – Apr 2, 2026

Greetings District 11,

Mar 13th and 14th, I attended the NIA Spring Conference and NIA Spring Assembly. There were 71 GSRs and 20 DCMs present at the Spring Assembly, which was a great turnout.

- Lisa, our Area Delegate, reported the General Service Board prudent reserve funds have dipped to 5 months and should be at 9-10 months.
- Chris, the Area Finance Chair, reported a loss of \$4,509.39 YTD as of 3/13/26 and it is due to larger expenses in February, like \$11,000 to fund the Delegate, but should improve as the year progresses.
- The motion to Combine the Electronic Equipment and Technology Committee Passed after a separate Motion to redirect the revised wording changes to the Service Manual failed. I voted against the new Motion and for the original motion.
- Members of the 2026 Big Book Conference had a table to promote the event that will be held on Sat Oct 17th at Messiah Lutheran Church in Wauconda. Please bring flyers to your group and consider serving on the committee. The next committee meeting will be held on Sun Apr 26th at 2pm on the District's Zoom.

Mar 22nd and Mar 28th, I attended the Finance, Policy/Admission, and Treatment/Accessibilities Pre-GSC Breakouts.

- There was great discussion about the agenda items which provided valuable insight for our Delegate Lisa who is preparing for the General Service Conference in New York at the end of April.
- There will be an in-person workshop on April 11th in Rockford, so if you didn't get an opportunity to attend the Zoom breakout sessions, please attend the workshop or you can always contact me or our delegate about agenda items if you have input.

Thank you,

Natae S.
