

DCM Report – May 7, 2026

Greetings District 11,

Apr 11th, I attended the Pre GSC Workshop in Rockford. There was great discussion about the agenda items which provided valuable insight for our Delegate Lisa who is preparing for the General Service Conference in New York at the end of April.

Toured the new location for the district business meeting. The room size is much smaller than we are used to, but it should be able to accommodate us.

We could use your help spreading the word about the Big Book Conference, and if you are planning on attending, please register soon.

Will begin working on the District's Group Roster information and getting it up to date.

Thank you,

Natae S.
